## ENTRY CLEARANCE

**Unscrupulous companies taking advantage of families who want to be together.**

Houselet Direct has warned vulnerable families to be aware of bogus companies using unqualified staff to offer cut price property inspections to meet UK Border Agency requirements for Visas and Entry clearance.

Houselet Direct's inspectors are all qualified and registered members of the Chartered Institute of Environmental Health. Houselet Direct provide reputable, professional services and fixed fee inspections; helping to keep families safe.

## TEMPORARY ACCOMMODATION

**Government figures show that by June 2012 an astonishing 51,640 households were living in temporary accommodation.**

With increased demand for housing; local authorities are sometimes left with no option but to place vulnerable families into bed and breakfast and privately leased properties.

Houselet Direct works with responsible Councils to provide safe homes for vulnerable groups. Houselet Direct's fast efficient and professional service is being used by more and more Councils since its recent launch.

Houselet Direct hopes to expand its services to responsible Councils throughout the UK and continue to provide properly trained and qualified inspectors to ensure that temporary accommodation is also a safe temporary home for those in need.
